**REQUEST FOR EXPEDITED CONSIDERATION**

On September 21, 2011, Hancock, Jahn, Lee & Puckett, LLC d/b/a Communication Axess Ability Group (“CAAG”) submitted its Application for Certification as a provider of Internet-based Video Relay Service eligible to receive reimbursement directly from the federal Telecommunications Relay Service Fund (“Application”). Should the OMB’s approval of revised record collection requirements still remain pending as of the date of this Request for Expedited Consideration, CAAG requests approval of its Application on or before September 30, 2011, based upon its Application’s compliance with those record collection and eligibility requirements currently in effect. CAAG further requests a concurrent or subsequent ruling that its Application complies with any additional record collection requirements that become effective following OMB approval.
